
The attached chart illustrates the organizational structure and functional relationships of the Department for Medicaid Services.

The Secretary of the Cabinet for Health Services has supervisory authority over the Department for Medicaid Services which is the Single State Agency. The Commissioner for Medicaid Services directs the operation of all Divisions and functions within the Department, and has with regard to the Medicaid Program the authority, under the supervision of the Secretary of the Cabinet, for exercising administrative discretion in the administration or supervision of the plan, including the issuance of policies, rules, and regulations on program matters. The Secretary of the Cabinet for Health Services is responsible for determining that the Commissioner's exercise of authority is in compliance with overall general state executive policy.

Eligibility determinations are made by the Department for Social Insurance as shown in Attachment 1.2-D.
